The screenshot shows a map search interface. At the top, there are navigation icons and a 'Folio Search Go' button. A dropdown menu titled 'Set Map Width' is open, showing options: 200m, 400m (highlighted), 1000m, 2000m, and 100m. A yellow callout box with an arrow pointing to the 400m option contains the following text:

User is interested in an area that is situate to the south of this Folio

To see a larger area in the map window use the Set Map Width or Zoom out tool to change the scale.
