 - ⊖ Soak Pit

A full list of burdens and their symbology can be found at www.landdirect.ie

The registry operates a non-conclusive boundary system. The Registry Map identifies properties not boundaries: meaning neither the description of land in a register nor its identification by reference to a registry map is conclusive as to the boundaries or extent. (see Section 85 of the Registration of Title Act, 1964), As inserted by Section 82 of the Registration of Deeds and Title Act, 2006.
